Definitions:
WKD: Total entities worked. **CFD:** Total entities confirmed.
NET: Total current entities confirmed (i.e., "CFD" less deleted entities, such as KZ5 Canal Zone).
 Total current entities: 341. Required for Honor Roll: 332. (Deleted entities do not count for Honor Roll / Challenge.)
 A separate category is shown for each type of DXCC certificate. Since no Honor Rolls exist for single band awards, the concept of deleted entities does not exist for them. Consequently, the "CFD" numbers for single-band awards include deleted entities.
